

**Ontario Association of Architects**

August 1, 2017

Glen Murray, MPP  
120 Carlton Street  
Suite 318  
Toronto, Ontario M5A 4K2

[sent via e-mail]

Dear Mr. Murray:

Over the years, we've had the opportunity to work with you on a number of files and issues from the OAA Awards during your time at CUI to meetings and legislative developments while you were at MOI and subsequently at MOECC.

I'm writing to thank you for your ongoing work with the OAA but also for your larger commitment to the practice of architecture. We have greatly appreciated knowing there was a voice at Queen's Park who was willing to stand up and speak about issues that are very near to our heart including the value of architectural design to the Province and the people of Ontario.

While we expect you have an extremely busy few weeks ahead, we would appreciate it if you could take a minute to quickly nominate a prominent building within your riding for consideration as a Queens Park Pick for World Architecture Day. It would be unfortunate if Toronto Centre was not also given the opportunity to showcase a building.

Finally, whether you're still sitting as an MPP or you're simply in the area, we'd welcome you either way to join us at our World Architecture Day celebration at Queen's Park on October 2<sup>nd</sup>.

I wish you well in your new endeavour at the Pembina Institute but we won't say goodbye as perhaps our paths will cross again.

All the best,

Sincerely,

A handwritten signature in black ink, appearing to read 'John K. Stephenson', written in a cursive style.

John K. Stephenson, Architect  
OAA, MRAIC  
President
