

## **ABOUT THE OAAAS STUDENT AWARDS**

OAAAS annually presents awards of excellence to exemplary architectural technology students which demonstrate achievement of technical excellence in architectural technology. The competition is open to all students enrolled in an Ontario College Architectural Technology Program.

## **ELIGIBILITY**

Projects must be based on an existing 5th or 6th semester curriculum project, live project, or as agreed with each college. There are two categories - one for projects completed by an individual student and one for projects completed by a group of students.

For colleges with a co-op program, entries can be any project completed in the 5th or 6th semester within one year prior to the submission deadline. An electronic time stamp will verify the official completion date of the project.

Each college may submit only one project to compete in the final provincial adjudication stage. Colleges that have both group and individual design projects in their curriculum may submit one project in each category.

## **JUDGING CRITERIA**

Awards are given for architectural technology excellence. Jurors consider the following criteria:

### **Technical Excellence - 60%**

- Construction Documents [Site Plan, Floor Plans, Elevations, Sections, 3-D Design]
- Degree of technical skill and knowledge demonstrated within each aspect of the project
- Evaluation will be based on the construction documents
- Building Code Requirements - understanding and implementation
- Construction Technology - comprehension
- Computer Skills - CAD
- Competency in technical writing

### **Design Principles | Concept - 30%**

- Planning - Site Plan, Building Program, Floor Plans, Elevations, Sections
- Sustainability - Contribution that design makes to a sustainable environment + building structure
- Design Process - Perspectives (Exterior, Interior, Elevations /Sections), Quality of design & execution

### **Project Brief - 5%**

Written description of project (concept & design process)

### **Overall Impression - 5%**

Complexity of the project

## **ADJUDICATION**

Adjudication is based exclusively on the Presentation Board and Construction Drawings submitted

**LARGE BUILDING - GUIDELINES****JUDGING PROCESS**

There are two judging stages, first at the **College** level and the second at a **Provincial** level. At the college level, each college selects one winning project to represent their college at the provincial level of the competition. At the provincial level of the competition, colleges from across the province compete for 1st and 2nd place.

**College Jury Instructions**

1. Teachers pre-select a maximum of three projects to be juried at the college stage. College jury process is expected to be approximately two hours in length, unless a special schedule arrangement is made in advance with the jury members.
2. Students may choose to present their project with a brief presentation to the jury.
3. The jury process is closed to students and the final results are to be communicated by the college representative to the students.
4. If a college has a conflict with the submission deadline date, notify OAAAS to discuss a potential alternative date.
5. Teacher and student(s) are responsible for submitting the college winning project to the OAAAS Office by the stipulated due date in order to compete in the Provincial Level of the competition. Late submissions will not be accepted.

**PRIZES**

College Stage: One-year OAAAS Technologist membership [\$706.00 Value)

Provincial Stage:

|                             |                       |           |
|-----------------------------|-----------------------|-----------|
| Individual Project Category | 1 <sup>st</sup> Place | \$ 1,000  |
|                             | 2 <sup>nd</sup> Place | \$ 500    |
| Group Project Category      | 1 <sup>st</sup> Place | \$ 2,000* |
|                             | 2 <sup>nd</sup> Place | \$ 1,000* |

The one-year membership prize can be deferred until graduation, or for no more than one year from the award date. \* The monetary prize for group submissions will be divided equally among the members of the group.

**AWARDS CEREMONY**

1. Winners are invited to receive their award(s) in person at the OAAAS Student Awards Ceremony held during the annual Ontario Association of Architects (OAA) conference. In 2019, this will take place in Quebec City, QC. The awards ceremony is scheduled for Friday, May 24, 2018, 12:00-1:45pm. Save this date if you are competing.
2. Winners receive transportation & accommodation to attend the awards ceremony if necessary. OAAAS will reimburse the travel cost for one representative of a Group Project winner.

## LARGE BUILDING - GUIDELINES

### SUBMISSION REQUIREMENTS

1. Entry Form - Ensure that college nor student name(s) are identified in submission material except on your entry form.
2. Presentation Board - A maximum of ONE board is permitted per submission. Digitally printed Foam Core or Gator Board display is required. Board size required is portrait **24" x 50"**. Digitally printed presentation boards are required for display purposes at the 2019 OAA Conference.
3. Set of Construction Documents completed to permit submission stage. This includes, but is not limited to Site Plan, Floor Plans, Elevations, Sections. Drawings size: 18" x 24". Drawings must be submitted in a protective carrying case.
4. Project Description - Describe the project concept and the design process. One page, maximum 350 words.
5. Copy of your college course assignment.
6. Electronic submission of COMPLETE submission - Submitted in a Flash Drive. This should also include individual JPEG images that are included on the Presentation Board and an image of the Presentation Board in JPEG format. Note: Electronic submission material will be used for judging and publicity.

### DELIVERING YOUR SUBMISSION

College submissions should arrive to the OAA/OAAAS office by **Noon** on Friday, April 26, 2019. Submission can be made in person or via courier. **Address your submission to:**

OAAAS  
c/o OAA  
1 Duncan Mill Road  
Toronto ON M3B 1Z2  
Attn: Rommy Rodriguez A., 2019 OAAAS Student Awards

Note: Our office may be relocated by May 2019. Should this occur, we will notify the colleges of our new office address.

### SUBMISSION DEADLINE

Friday, April 26, 2019 by Noon at the OAA/OAAAS Reception Desk.

- Use one form per entry
- Winning entries will not be returned and will remain the property of OAAAS.
- Incomplete submissions will not be accepted.
- Unsuccessful entries can be collected or returned at the entrant's own expense. If not collected within one month of the announcement of the winners, submissions will be recycled.
