IMPORTANT

In order to offer or provide architectural services in Ontario (as defined in the *Architects Act*) to the public, which includes activities such as the preparation of drawings and completion of feasibility studies, an individual or entity must be the holder of a Certificate of Practice. The provision of these services, prior to the issuance of a Licence and Certificate of Practice may be prejudicial to the granting of a Licence and/or a Certificate of Practice.

Until an application for a Certificate of Practice is approved by the OAA it is a contravention of the *Architects Act* to promote, offer or provide architectural services in Ontario in the name of the new practice, and items such as letterhead, cheques, signs, etc. should not be ordered.

The use of the term Certificate of Practice in this document shall at all times refer to a Certificate of Practice issued by the Ontario Association of Architects (OAA) unless otherwise stated.

GENERAL

1. Allow approximately **4 - 6 weeks** processing time from the date of receipt of the completed application and all required documentation or following approval of an Application for Licence. An incomplete application may be delayed as it may be returned for completion.
2. **FORMAT**
The application should be typed or printed and all sections completed, signed, dated.
3. All documentation submitted will be verified.

4. CURRICULUM VITAE

In order to satisfy the currency requirement outlined in Subsection 17(2) of the *Architects Act*, the OAA architect who is a principal of this practice and who is not currently a holder of a Certificate of Practice, must enclose an updated curriculum vitae with a chronological record of work experience covering at least the five years immediately preceding the date of this application.

5. NOTIFICATION TO EMPLOYER - Regulation 27 Subsection 34(b)

The OAA architect, who is a principal of this practice and is currently employed elsewhere, must enclose a copy of the notification to employer. The following is a sample of wording which may be used:

"This is to advise that it is my intention to offer and/or provide architectural services to the public and to apply to the Registrar of the Ontario Association of Architects for a Certificate of Practice.

I hereby further advise that such architectural services will not be performed during the hours I am employed by _____ nor will I use any material, equipment or facilities belonging to _____ for this purpose.

I will advise my clients and other parties of my status as an employee and the attendant limitations on my services to ensure that my work will not conflict with my duties as an employee.

I will assume all professional liability for the architectural services I will provide as a holder of a Certificate of Practice and will indemnify and hold harmless _____ from any claims arising from my practice."

6. The **Standards of Practice** are prescribed in Sections 47, and 49, of Ontario Regulation 27, as amended.
7. **REAPPLICATION OR REINSTATEMENT REQUIREMENTS**
 - i) A former OAA architect who has voluntarily surrendered his/her Certificate of Practice may submit an application to reapply for a Certificate of Practice.
 - ii) A former OAA architect whose Certificate of Practice was cancelled may make application to reinstate the Certificate of Practice.
 - iii) Please note that the applicant **must**:
 - (a) provide evidence to the Registrar that the person who will personally supervise and direct the practice of architecture has, before the date of the application, completed a cycle of continuing education that meets the requirements of the continuing education program established under Section 54 of the Regulation.
 - (b) file with the Registrar an Undertaking in which he/she affirms that he/she has not engaged in the practice of architecture in the Province of Ontario from the date of surrendering or cancellation of his/her Certificate of Practice, except as an employee of a holder of a Certificate of Practice or as an employee of an organization which did not offer architectural services to the public.

If applicable, **enclose a copy of the Business Registration** from the Companies and Personal Property Branch, Ministry of Government Services.

If the business operating under a Certificate of Practice uses a business name other than that contained on the Certificate of Practice the holder of the Certificate of Practice and all architects working under it must ensure compliance with the following:

- a) The Office of the Registrar of the OAA must be notified of all of the other names used; and

- b) The name of the holder of the Certificate of Practice must be included in all significant documents (e.g. contracts, invoices, letterhead, business cards, architectural drawings etc.) so that the public can identify the official name of the entity with whom they are dealing.

12. **PROFESSIONAL LIABILITY INSURANCE COVERAGE**
