IMPORTANT

The approval of an application for licence entitles an individual to become an Architect licensed by the Ontario Association of Architects (OAA).

In order to offer or provide architectural services in Ontario to the public (as defined in the [Architects Act](#)), these services must be offered via a certificate of practice issued by the OAA. An application for certificate of practice may be submitted together with the application for licence.

The provision of architectural services, as defined under the *Architects Act* and further elaborated on the [OAA Website](#), prior to the issuance of a licence and Certificate of Practice may be prejudicial to the granting of a Licence and/or a Certificate of Practice.

General

When filing an application for licence, include the following:

- Completed, signed application for licence;
 - Proof of Canadian citizenship or permanent resident status in Canada, if applicable;
 - Proof of certification by the Canadian Architectural Certification Board (CACB);
 - Payment of applicable fees (refer to Payment of Fees Form); and
 - Completed, signed Consent Form (under PIPEDA).
1. Allow approximately **four to six weeks** of processing time from the date of receipt of the completed application and all required documentation. An incomplete application will be delayed as it may be returned for completion. **NOTE: ENSURE YOU HAVE ANSWERED ALL QUESTIONS OR YOUR APPLICATION WILL BE DEEMED INCOMPLETE.**
 2. All sections of the application are to be completed. The terms "Not Applicable" and "N/A" may be used where sections do not apply.
 3. All documentation submitted will be verified.
 4. The licence term is January 1 to December 31 of each year. The onus is on the Architect to pay the fee within the time prescribed. Non-payment may lead to licence cancellation.
 5. Applications received after December 1 will not be finalized in that calendar year (unless otherwise requested). Applicants should contact the Office of the Registrar after December 1 for information with respect to fees.
 6. All documents prepared by an Architect licensed in Ontario that govern a project's construction, alteration, or enlargement must be sealed with a seal issued to an Architect by the OAA. For more information regarding OAA professional seals, visit the OAA Website [here](#).
 7. Every holder of a licence shall display their licence certificate prominently in their place of business (Subsection 49.(7), Regulation 27).
 8. The OAA has a mandatory Continuing Education program. Detailed information can be found on the [OAA Website](#).
 9. The **fees** for licence are set out on the Payment of Fees form.

Completion of the Application

A. IDENTIFICATION

Questions 8 and 9 are for statistical purposes only. At times, the OAA has a need to communicate with Architects from other countries. In such instances, an Architect with knowledge of the specific language would be able to assist. With respect to Questions 10a and 10b, please enclose proof.

B. Self-explanatory

C. Self-explanatory

D. LICENCE HISTORY

In Section D, Questions 4 through 8, if the applicant for licence makes a positive declaration, the OAA will ask for full details and make any additional inquiries to confirm completeness and accuracy of the information. The OAA will then assess the suitability of the applicant for licensure.

E. DECLARATION

The solemn declaration serves as a formal attestation by the applicant that all the information provided is truthful and accurate. This verification helps ensure the integrity of the registration process by preventing the submission of false information. Additionally, it holds the applicant legally accountable, as providing misleading details can result in legal consequences.

The declaration underscores the seriousness and professionalism of the application process. By signing, applicants confirm their understanding of and commitment to adhering to the relevant laws, regulations, and ethical standards governing their profession once licensed.

Where the Registrar proposes to refuse to issue a licence based on good character, which includes past conduct and the belief the applicant will not engage in the practice of architecture in accordance with the law, and with honesty and integrity, the *Architects Act* provides that the applicant is entitled to a hearing by the Registration Committee. If the applicant chooses to attend a hearing with the Registration Committee, they must deliver to the Registrar, within 30 days from the dated Notice of Proposal, a written notice of their intent to attend the hearing, coupled with the reasons that had been served upon them. A Decision by the Registration Committee may be appealed through the courts.
