Consent Form - Under the *Personal Information Protection and Electronic Documents Act* (PIPEDA) for the collection, use, disclosure, and retention of personal information collected by the Ontario Association of Architects in the course of its commercial activities.

When filing an Application for Licence, include the following:

1. Completed, signed Application for Licence;
2. Proof of Canadian Citizenship or permanent resident status in Canada;
3. Proof of Broadly Experienced Foreign Architect (BEFA) certification by the Canadian Architectural Certification Board (CACB);
4. Payment of applicable fees (refer to Payment of Fees Form); and
5. Completed, signed Consent Form (under PIPEDA).

IMPORTANT

The approval of an Application for Licence entitles an individual to become an Architect licensed by the Ontario Association of Architects (OAA).

In order to offer or provide architectural services in Ontario (as defined in the *Architects Act*) to the public, an individual must be the holder of a Certificate of Practice with the OAA.

The provision of architectural services, as defined under the *Architects Act* and further elaborated on the [OAA Website](#), prior to the issuance of a Licence and Certificate of Practice may be prejudicial to the granting of a Licence and/or a Certificate of Practice.

General

1. Allow approximately **four to six weeks** of processing time from the date of receipt of the completed application and all required documentation. An incomplete application will be delayed as it may be returned for completion. **NOTE: ENSURE YOU HAVE ANSWERED ALL QUESTIONS OR YOUR APPLICATION WILL BE DEEMED INCOMPLETE.**
2. All sections of the application are to be completed. The terms “Not Applicable” and “N/A” may be used where sections do not apply.
3. All documentation submitted will be verified.
4. The **Licence Term** is January 1 to December 31 each year. The onus is on the architect to pay the fee within the time prescribed.
5. **Applications received after December 1** will not be finalized in that calendar year (unless otherwise requested). Applicants should contact the Office of the Registrar after December 1 for information with respect to fees.
6. All documents prepared by an Architect licensed in Ontario that govern a project’s construction, alteration, or enlargement must be sealed with a seal issued to that member by the OAA. For more information regarding OAA professional seals, visit the OAA Website [here](#).

Applying for a seal

1. An **applicant for a Certificate of Practice** may apply for a seal after their Certificate of Practice has been approved, or have a seal, when making application for the Certificate of Practice.
2. For an **employee of a holder of a Certificate of Practice** to be eligible for a seal, the holder of the Certificate of Practice must provide confirmation in writing to the OAA indicating that the seal will be used only for projects under that holder.
3. For an **employee of other than a holder of a Certificate of Practice** (e.g. federal or provincial government, banks, etc.) to be eligible, the employer must provide confirmation in writing to the OAA indicating that the seal will be used only for projects owned by the employer; the entity that owns the projects must be the one and the same that employs the licensee.

Once you have a seal

1. The employer must notify the Office of the Registrar at officeoftheregistrar@oaa.on.ca of any changes to the Certificate of Practice.
2. The employee must immediately notify the Office of the Registrar at officeoftheregistrar@oaa.on.ca of any changes to their employment status.

Completion of the Application

A. IDENTIFICATION

Questions 8 and 9 are for statistical purposes only. At times, the OAA has a need to communicate with architects from other countries. In such instances, an architect with knowledge of the specific language would be able to assist. With respect to Questions 10.a and 10.b, please enclose proof.

B. Self-explanatory

C. Self-explanatory

D. LICENCE HISTORY

In Section D, Questions 4 through 8, if the applicant for Licence makes a positive declaration, the OAA will ask for full details and make any additional inquiries to confirm completeness and accuracy of the information. The OAA will then assess the suitability of the applicant for licensure.

E. DECLARATION

It is the statutory responsibility of the OAA to ensure applicants for Licence in Ontario have the requisite knowledge of Ontario laws before being granted a Licence by the OAA.

Applicants must have unrestricted access to all of the documents listed in Appendix 1. The OAA Official Documents are only available for downloading from the OAA Website.

Where the Registrar proposes to refuse to issue a Licence based on good character (which includes past conduct and the belief the applicant will not engage in the practice of architecture in accordance with the law, and with honesty and integrity), the *Architects Act* provides that the Applicant is entitled to a hearing by the Registration Committee. If the Applicant chooses to attend a hearing with the Registration Committee, they must deliver to the Registrar, within 30 days from the dated Notice of Proposal, a written notice of their intent to attend the hearing, coupled with the reasons that had been served upon them. A Decision by the Registration Committee may be appealed through the courts.
