
Guidelines for Completion of an
OAA Seal Application

OAA Seal – Licensed Technologist

Guidelines for Completing Application

In filing your application for an OAA Seal, please ensure that you have completed the following steps:

1. Format

- a. Complete, sign, and date the application. The application should be typed or printed, and all sections completed, signed, and dated.
- b. Correctly spell your name as it appears on the limited licence certificate.
- c. Provide the full address to where the seal should be shipped.

2. Fees

Submit the appropriate fee for the type of seal selected. Please see [Payment Options](#) on the OAA website. If you wish to pay via Credit Card you will need to go to OAA Store [Other Fees and Items](#).

3. Employer Authorization (if applicable)

- i) In order for a Licensed Technologist who is an employee of a holder of certificate of practice to obtain a seal, the supervisor must sign Section E on the application indicating that the seal will be used only for projects under that holder and only for projects on which the Licensed Technologist is permitted to seal in accordance with the [Architects Act](#) and [GENERAL Regulation 27](#) (the regulations).
- ii) In order for a Licensed Technologist who is an employee of other than a holder of a certificate of practice (e.g. federal or provincial government, banks, etc.) to obtain a seal, the supervisor must sign Section E on the application, indicating that the seal will be used *only* for projects owned by the employer and only for projects on which the Licensed Technologist is permitted to seal in accordance with the [Architects Act](#) and regulations.
- iii) When an employee with an OAA seal changes employment:
 - a. the employer must notify the Office of the Registrar of any changes to the certificate of practice; and
 - b. the employee must immediately return the seal to the Association.

Note: The OAA Seal issued to a Licensed Technologist is to be used only for projects on which the Licensed Technologist is permitted to seal in accordance with the [Architects Act](#) and regulations.

4. Ordering an OAA Seal

Seals are not ordered until:

- i) The application for certificate of practice is approved (the application for an OAA seal should be submitted along with the certificate of practice application); **or**,
- ii) Section E of the application, "*The Employer's Declaration/Authorization*," is signed.

Important information is contained in the following:

- OAA Regulatory Notice RN.01

IMPORTANT: Please be reminded that this Seal has been issued specifically to you for use in the capacity stated on your application. If your status changes and you no longer need to use the seal for your practice or employer, you are required to return it immediately to the Office of the Registrar.
