Under Regulation 27, the Registrar may appoint an individual as a student associate who is currently enrolled in a program of accredited study, or as otherwise deemed appropriate by Council

Excerpt from Regulation 27

27. (1) Student associates are persons who are of good character, have paid the annual fees prescribed by the by-laws, are enrolled in Canada in faculties, schools or departments of architecture or other courses of study that are considered by Council to be equivalent to such faculties, schools or departments and are appointed as student associates by the Registrar. O. Reg. 91/93, s. 3.

(2) A student associate is entitled to receive general information issued by the Association and to attend the annual and general meetings of the members of the Association but is not entitled to vote at such a meeting. R.R.O. 1990, Reg. 27, s. 27 (2).

(3) Student associate status is valid for one year. R.R.O. 1990, Reg. 27, s. 27 (3).

In accordance with Subsection 27(1) Council recognized individuals enrolled in *the Royal Architectural Institute of Canada Syllabus of Studies Program* as being eligible for appointment as a student associate by the Registrar.

In 1995 Council amended the policy to include individuals who are enrolled in a faculty, school or department of architecture in a jurisdiction located in the United States as being eligible for student associate status. In 2002 Council further amended the policy to clarify that those US programs must be accredited by the US National Architectural Accrediting Board in order for those individuals to be eligible for appointment as a student associate.

In 2009, Council has amended the policy further to allow individuals enrolled in a school of architecture which has Candidacy Status, granted by the Canadian Architectural Certification Board, to be eligible for appointment as a student associate of the OAA.
