### Summary

The Practice Tips (PTs) listed below were current as of the date this index was issued unless noted otherwise. Normally there will only be one version of a Practice Tip current at any given time; however, during a transition period, there may be both an old and an updated version which are current. The transition period may be simply for user convenience or it may be the result of changes to applicable legislation.

### Legend

**PT #** This shading indicates Practice Tips which are being rescinded or replaced by updated versions at the end of a transition period.
