Student Technologist Declaration Form

OVERVIEW

Only experience gained while holding Student Technologist status with the OAA and within a co-op program may be recorded for review and consideration, up to a maximum of 1,000 hours. Work placements must be in an eligible employment situation under the personal supervision and direction of a person authorized to practise architecture in the jurisdiction where the experience is being gained. Hours must be recorded in the Experience Record Book (ERB).

Student Technologists must have their academic institution complete the Declaration Form to confirm their academic status. The OAA requires the completion and submission of the Declaration Form to review Student Technologist experience submissions.

Effective January 1, 2025, to be considered in the ERB Student Technologist hours must be:

- Obtained while the Student Technologist is enrolled in a three-year architectural technology program of instruction leading to an Ontario College Advanced Diploma or enrolled in a three-year college architectural technology program accredited by Technology Accreditation Canada (TAC); and
- Accepted in a co-op program,

Any experience gained outside the co-op program or while on leave from the OAA Technology Program, will not be eligible for consideration.
