REPORT

1.0 CONFIRMATION OF REVIEW

During the course of construction of this project, personnel from our firm visited the site in order to carry out general review in accordance with the performance standards of the [Ontario Association of Architects and/or the Association of Professional Engineers of Ontario]. On the basis of our review, we have determined that the construction has been carried out in general conformity with the [specify Architectural, Structural, Mechanical and/or other as appropriate to define area of review] documents which formed the basis for the issuance of the building permit.

2.0 BUILDING OCCUPANCY

If the building is not completed and is occupied or is planned for occupancy prior to completion, provide a confirmation that the requirements described in Division C-1.3.3. of the building code have been met.

3.0 EXCEPTIONS

Identify deviations from the approved building permit documents and incomplete items of relevance to the building code.

4.0 ATTACHMENTS

Attach any relevant reports or other supporting documents.
