C. **SURRENDER REQUEST**

Requested Effective Date of Surrender: _____

I, _____ (type or print full name), hereby request that the OAA accept the resignation of my membership and the surrender of my limited licence (and, if applicable, my certificate of practice) under the *Architects Act* effective as of the date above.

In making this request I confirm the following:

1 I understand that upon surrender of my limited licence I must immediately cease use of the designation "OAA" after my name and cease use of the title "Licensed Technologist" with respect to the practice of architecture.

2 I understand that if I held an OAA-issued seal, I must return it to the Office of the Registrar and remove any scanned or digital images of it from my computer system or other locations. I understand that the OAA will destroy the seal and if I subsequently require an OAA seal, I will need to obtain a new seal and may be required to pay the applicable fee.

3 I will notify my employer (if applicable) that I am no longer a licensed member of the OAA and ensure that any promotional materials, professional cards, letterhead, website, or other signage that contain "Licensed Technologist" or "OAA" will be discontinued.

4 If I am currently providing architectural services under a certificate of practice, I have made arrangements for completion or transfer of those services to another holder of a certificate of practice, and I have notified all clients, consultants, contractors and relevant authorities (including building permit holders).

5 I understand that if I wish to re-apply for a limited licence in the future, specific rules apply:

- If within three years of surrender, I am exempted from the academic, examination, and experience requirements of Section 32 of Regulation 27.
- If more than three years have passed, the full academic, examination, and experience requirements apply.

6 I understand any outstanding fees, premiums, levies, or deductibles owing to the OAA must be paid.

D. **CHANGE IN STATUS**

Please check one:

☐ I wish to request appointment as a Retired Member of the OAA. I understand that if approved I may, subject to OAA regulations, use the title "Licensed Technologist (Retired)" provided it is not misleading.

☐ I do *not* wish to request Retired Member status.

E. **DECLARATION**

I, _____ (type or print full name), hereby declare that:

1 I am the holder of an active limited licence with the Ontario Association of Architects.

2 I voluntarily request the surrender of my limited licence with the OAA and understand that, upon acceptance, I will no longer be authorized to practise architecture in Ontario.

3 I understand that surrendering my limited licence does not absolve me from any obligations, liabilities, or ongoing matters arising from my professional practice while I was licensed, including complaints, investigations, or outstanding fees.

4 I confirm that all statements made in this request are true and complete to the best of my knowledge.

5 I understand that once my limited licence is surrendered, reinstatement will require compliance with any applicable OAA policies or statutory requirements for re-licensing.
