Dear Mr. Stephenson,

I want to thank you for your good wishes.

Indeed, I am very much interested in environmental building design, as well as the construction of sustainable buildings. As a result, I am looking forward to continuing to have conversations about how we, the government and the Ontario Association of Architects, can work together in order to achieve a reduction in environmental impacts.

My door is always open to discuss and collaborate on this matter. Please do not hesitate to communicate with my Executive Assistant, Sarah Laliberté to set a meeting date. She can be reached at 613-744-4484 or by email at slaliberte@liberal.ola.org.

Thank you again for your good wishes.

Sincerely,
